- Warning signs of suicide and how to respond.
- Current statewide resources and statistics on suicide.
- Skills in talking about suicide in safe and responsible ways.
- Techniques of forensic interviewing trauma victims

**Earn CE credits—Check website for more info.*

The Billings Area Family Violence Task Force and Suicide Prevention Coalition of Yellowstone Valley, are committed to reducing family violence and preventing suicide. Historically we have sponsored separate annual conferences but this year our missions aligned and we are excited to co-present the topics above.

\$150 registration. Breakfast and lunch included both days.

Register and learn more at www.spcoalitionyv.org or call 406-647-0379.
